## Surface Inspection Screen\_Update the Last ES Inspection Date

From the Association Tab in the open SI click the “Reset Last and Next ES Inspection Dates” in the Action Menu.

On the calendar icon, set the dates for the last and click “yes”.

The screenshot shows the AFMS I & E Surface Inspection screen. The left sidebar has the 'Associations' tab selected. A modal dialog box titled 'Reset Last and Next ES Inspection Dates' is open, containing two date input fields: 'Set Last ES Inspection Date' and 'Set Next ES Inspection Date'. A red arrow points from the 'Actions' button in the bottom right of the main screen to the 'Yes' button in the dialog box. A blue circle highlights the 'Actions' button, and a blue '2.' is written next to it.
