U.S. Code Annotated

USCA combines the U.S. Code with relevant cases and citations. These volumes include a codification of federal laws arranged by title, chapter and section; with notes on history, revisions and effective dates, library references, and notes on decisions from federal and state courts related to each section. See especially Title 29, Chapter 8 for the FLSA.

Shepard's Code of Federal Regulations Citations

Shepard's Code of Federal Regulations Citations gathers pertinent references in one easy-to-use source. Structured by title, part and section of the regulations, this is a compilation of citations that explain how provisions are to be applied. They are drawn from federal court reporters and law review articles related

to individual sections of the Code of Federal Regulations. See especially the material for Title 5, Part 551 regarding application of the FLSA to federal employees
