(BLM & Operators) AFMSS 878- Need a link to Print a full APD Package

A link has been created called Generate APD Package. When you click the link the text for that link changes to “APD Package generating.....”. Within a few minutes the link for “Download APD Package” will turn blue and you will be notified via email when this task is complete. The “download” link will then be available for 48 hours. If the “Download APD Package” link is not blue you will have to generate the package again. The package will include the following documents in 1 PDF file:

- 1) Cover Page
- 2) 3160-3 Form
- 3) COA's if applicable
- 4) Operator Cover Letter
- 5) Operator Certification
- 6) Plats
- 7) Drilling plan followed by all attachments
- 8) Surface Plan followed by all attachments
- 9) Self Certification
- 10) Permitting Agent Certification

(BLM & Operator) Bug Fix AFMSS-899: INC000000258625 & WO0000000273972 - Fix truncation problem in Print APD Report

The report will no longer truncate text when viewing or printing.

(BLM Administrative) Bug Fix AFMSS 952: Update Operator Names in Set-up

It was discovered when INC000000272836 was being worked on that when users update Operator names in the Administration area of the system, the updates are not pulling into Operator drop-down in the Operator/User-Setup area.

(BLM & Operator) AFMSS-961: Change "Print APD Onsite" report name to "Conduct Onsite"

This is per Remedy INC00000028260: Name change to coincide with the the task name. Report is in My Monitor in the middle column.
