Personal Bond Accepted

On June 24, 2016, the BLM Nevada State Office (NSO) received a personal bond with Craig Pickens, as principal, in the amount of \$19,981. The bond was submitted to provide surface reclamation coverage for operations conducted by the principal NVN094719, the Windy Ridge Project. The bond has been examined, found satisfactory, and is accepted effective June 24, 2016.

The bond, which has been assigned BLM bond number NVB002006, will be maintained by the NSO. Termination of liability under the bond will be permitted only after the NSO is satisfied that there is no outstanding liability or until satisfactory replacement bond coverage is furnished. The funds will be retained in a suspense account until all terms and conditions of the operation have been fulfilled or until a satisfactory replacement bond has been accepted. When the deposit is no longer needed to secure the bond, this office will authorize a refund of the cash deposit.

On June 16, 2016, the BLM Stillwater Field Office determined the reclamation cost estimate on NVN094719 to be \$19,981. Effective the date of this Decision, NVN094719 is satisfactorily bonded under NVB002006 in the amount of \$19,981.
