

Well, thanks very much, ladies and gentlemen, for tuning in today.

I would also like to thank Donna, and --

My pleasure.

And our reporters in the field.

And there's a few things I would like to remind you about.

We've got some slides coming up with information on how you can reach your bureau ethics counselors.

I also want to remind everybody that if you need credit for annual training, remember you have to review the supplemental ethics training material and they are at [DOI.gov/ethics](http://DOI.gov/ethics) and make sure you watch these slides because there's also information there on how you can get credit for this course through DOI learn.

Thanks very much.

Thank you very much.

We'll talk to you next time.

Bye-bye.
