

PACCA on Facebook

Liz Madison

Denis Desmarais

Purpose

“ Pilot a social media tool that complements the learning goals of the PACCA: Managing by Network Course.

“ The tool will:

“ serve as a communication portal

“ support peer-learning and mentoring

“ follow the policies and guidelines of our partners

Philosophy

“ Support an active community of practice where participants can:

“ Continue learning and networking beyond the course

“ Converse around issues of common interest

“ Share readings, links and resources

This is YOUR place!

Facebook Page

- 1) Create a personal FB profile
- 2) Search for PACCA and "Like" us
- 3) Post a comment so we know you made it

Policies

Please read the Code of Conduct guidelines on our Notes page...and use common sense.
