

Developing Objectives Review Questions

1. Why are training objectives important? (provide at least 2 reasons)
2. What are the two different types of objectives?
3. What is the purpose of a Terminal objective?
4. How many parts does a Terminal objective have? What are they called?
5. Which part of the Terminal objective focuses on what students are being trained "to do" on-the-job?

6. Read the following objective:

Given a water sampling kit and targeted water supply, take a water sample.

What kind of objective is this? Is it properly constructed? Why or why not?

7. If you're an instructor, how do you determine what the Terminal objective is for your lesson?

8. How do you determine the Enabling objectives for the primary task stated in the Terminal objective?
