### NEPA: Categorical Exclusions

This introductory course discusses the process for excluding actions from NEPA analysis, as described in Chapter 4 of the 2008 BLM NEPA Handbook (H-1790-1). The instructors define a categorical exclusion (CX), discuss where to find the Department of the Interior and Bureau of Land Management CX lists, how and when to determine if extraordinary circumstances apply, and how to properly document a CX.

### Broadcast News

#### M Street Live -- National Greater Sage-Grouse IM Implementation

This 90 minute broadcast in the M Street Live! series will focus on the implementation of recently issued greater sage-grouse guidance (IM 2012-043 and IM 2012-044). This telecast will originate from the National Training Center (NTC) studios in Phoenix, Arizona, and the BLM M Street Office in Washington, DC. This program will be transmitted to authorized BLM satellite downlink sites on BLM's DISH Network satellite system.
