SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains {and associated funerary objects} under the control of the {Museum or Federal Agency, City, State Abbreviation}. The human remains {and associated funerary objects} were removed from {Location, County, State Abbreviation}.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains {and associated funerary objects}. The National Park Service is not responsible for the determinations in this notice.

Consultation

A detailed assessment of the human remains was made by the {Museum or Federal Agency} professional staff in consultation with representatives of *{list all tribes consulted in alphabetical order per the BIA list: <http://www.gpo.gov/fdsys/pkg/FR-2012-08-10/pdf/2012-19588.pdf> or Native Hawaiian organizations; also list any non-Federally recognized Indian groups consulted}*.

History and description of the remains

In {date of removal}, human remains representing, at minimum, {number} individuals were removed from {name of site} in {County, State Abbreviation}. *{Include information regarding the circumstances surrounding the removal and all subsequent transfers until the item*

came into the Museum or Federal Agency's possession. Include details about the human remains, such as age, sex, burial number, etc. } No known individuals were identified. The {total number} associated funerary objects are {include number and type of each object or group of objects, e.g., 5 pottery sherds, 7 tools, 50 beads, 1 lot of buttons, or state No associated funerary objects are present. }

{Paragraph here gives estimated age of the site and any additional circumstances known about the human remains or associated funerary objects. Identify the relevant earlier group/phase and how/why these remains have been determined to be Native American. Include lines of evidence for present-day cultural affiliation with the earlier identifiable group, e.g., any historical records, continuity of occupation, continuity of ethnographic materials. Also, reference any tribal evidence of cultural affiliation, e.g., oral history or tradition provided during consultation. }

{Repeat these two paragraphs as necessary. If the second paragraph identifying age, affiliation, etc., applies to multiple sites, include the information only once, after providing a paragraph for each site. }

Determinations made by the {Museum or Federal Agency}

Officials of the {Museum or Federal Agency} have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of {total number} individuals of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(3)(A), the {total number} objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains {and associated funerary objects} and {list the tribes affiliated in alphabetical order per the BIA list:

<http://www.gpo.gov/fdsys/pkg/FR-2012-08-10/pdf/2012-19588.pdf> or *Native Hawaiian organizations* }.
