

## Section 106 Compliance for Pending vs. New Solar Energy Applications

A. **Pending Solar Application**  Follow 36 CFR Part 800

Pending Solar Applications are:

- Any applications filed within proposed Solar Energy Zones (SEZ) *before June 30, 2009*

AND

- Those filed within Variance and/or Exclusion areas *before* the publication of the Supplement to the draft Solar PEIS (*October 28, 2011*)

B. **New Solar Application**  Follow the Solar PA

New Solar Applications are:

- Any applications filed within SEZs *after June 30, 2009*

AND

- Any applications filed within Variance and/or Exclusion areas *after* the publication of the Supplement to the Draft Solar PEIS (*October 28, 2011*)
