(BLM and Operator) AFMSS-135

In the APD Application Section 1, a green check mark appears next to the lease number field when a valid federal lease number is entered into the field.

The screenshot displays the 'Section 1 - General' form in the APD Application. The form includes the following fields and options:

- APD ID: 10400012848
- Tie to previous NOS?: Yes No
- APD Operator *: ALBERTA GAS CO (dropdown)
- Permitting Agent?: Yes No
- BLM Office *: FARMINGTON (dropdown)
- User: Lucinda Lewis, Title: User
- Federal/Indian APD *: FEDERAL INDIAN
- Is the first lease penetrated for production Federal or Indian? *: Federal Indian
- Lease number *: COC62161 (text input) with a green check mark icon to its right.
- Lease Acres: 2299.14
- Agreement in place? *: Yes No

A red circle highlights the 'Lease number' field and the green check mark icon. A red arrow points to the check mark icon.

(BLM and Operator) AFMSS-200

On Electronic and Paper NOS and APD calendar presentation is consistent. See Example:

(BLM and Operator) AFMSS-238

On Electronic and Paper NOS and APD the pick list for the state menu is in alphabetical order in the Well Location Tables.

(BLM and Operator) AFMSS-297

On the Paper and Electronic NOS, Tab 2, and Electronic APD SUPO Tab 11, the "OTHER" Surface Owner checkbox displays one field to enter Other Surface Owner description.

For Electronic NOS and APD and Paper NOS and APD will provide the ability for the user to attach and display multiple attachments to a specific field entry.

(BLM and Operator) AFMSS-358

A warning message of 15 minutes of inactivity will appear at the top of the screen highlighted in Bronco Orange color. The message disappears when the user clicks in the designated area within the warning message before the countdown timer reaches zero. When the countdown timer reaches zero the system saves data and logs the user out of the system.

(BLM and Operator)-AFMSS-515

When entering a Federal Agreement number, the system will generate a green check mark to verify the Agreement number is valid. Application: Section 1 in the APD and Section 1 in the NOS.

Agreement number *	UTU63017A	
Agreement name	INIT GREEN RIVER PA	

Additionally, the system will give a warning message if an invalid Federal Agreement number has been entered.

Agreement number *	<i>This agreement number cannot be validated. Please verify this number is valid.</i>

(BLM)AFMSS-411

In the Prepare Decision Package task for the Paper APD, the system will generate a letter "Notice of Decision" to be printed by the Adjudicator and sent to the Operator.

(BLM)-AFMSS-415

The system will generate a warning message for the 10-Day Letter stating “You need to save any changes before generating the letter. Do you wish to continue?”

(BLM)-AFMSS-426

If the Conformance Issues button is selected within the Prepare and Conduct Onsite task, the system will give a warning message stating “You have identified conformance issues. Do you really want to terminate this APD?”

Additionally, an email is sent to the operator with a Notice of Conformance Issues.

(BLM)-AFMSS-498

The system allows the Surface Specialist to cancel an Additional Onsite, if Cancel button is selected. The pop-up window will disappear and system will behave as if no data was entered.

When the Reject button is selected in Review APD, the system will generate a dialog box to give a reason for the rejection.

The system will then give a warning message stating “Are you sure you want to reject this APD?”

(BLM)-AFMSS-565

If all questions in the Geologic Review are answered “NO”, the system will generate the 10 Day letter to check the correlated check boxes of “Drilling Plan” and “Surface Use Plan of

Operations”.

Dear Operator:

This is the 10-day letter pursuant to Onshore Oil and Gas Order, Number 1, Section III.E.2.a.

The BLM received your Application for Permit to Drill (APD), for the referenced well, on 05/11/2016. The BLM reviewed the APD package pursuant to part III.B.2 of Onshore Oil and Gas Order No.1 and it is:

1. Incomplete/Deficient (*The BLM cannot process the APD until you submit the identified items within 45 calendar days of the date of this notice or the BLM will return your APD.*)

- Well Plat
- Drilling Plan
- Surface Use Plan of Operations (SUPO)
- Certification of Private Surface Owner Access Agreement
- Bonding
- Onsite (The BLM has scheduled the onsite to be on _____)
This requirement is exempt of the 45-day timeframe to submit deficiencies. This requirement will be satisfied on the date of the onsite.

[Please See Addendum for further clarification of deficiencies]

For an electronic or paper NOS, if the Conformance Issues button is selected, the system will give a warning message stating “You have identified conformance issues. Do you really want to terminate this NOS?”

(BLM)AFMSS-604

New functionality allows users to view and monitor the progress of an APD or NOS, and allows the users to print the review that they just finished. Review reports are dynamic and are updated as the reports are completed. It is important to print the report right after completing the review.

The Signature Block in the 30 Day Letter will now display the Name and then directly below the title of the POC. This will allow for a cleaner look to the 30 Day Letter.

After we receive/complete the necessary documents from the above parties, our estimated time frame to complete our analysis and make a decision on the APD will be within the following number of days : 25.

At this point in the process, you may request a Suspension of Operations and/or Production for your lease. Once submitted, the BLM will process this request as appropriate.

If you have any questions, please contact Morgan Dillon at (555) 555-5555.

Sincerely,

Morgan Dillon

The system will now notify any BLM user of their assigned task. This means that all users in the Adjudicator Group will receive a task notification, just the same as a user that is directly assigned a task.
