

Tie previous NOS to APD by NOS ID Number

without copying NOS information so a user can clone an APD

It is possible to tie an NOS ID and to a clone an APD without changing the APD's information from cloning.

On the Preliminary Screen, I selected the APD ID number I wanted to clone.

AFMSS
Application for Permit to Drill

Preliminary Information

Would you like to clone the APD from a prior APD? Yes No

Select an APD to Clone: 10400009057

Select the cloning option:
