**Module 5**  
**Evaluating Integrity and  
National Register Eligibility**

Assessing integrity, National Register eligibility criteria, and exceptional cases

 **PLAY VIDEO**

 **TRANSCRIPT**

**Module 6**  
**Management Actions for  
Historic Period Mining Resources**

Addressing the effects of a proposed project or action, activities undertaken to reduce hazards and enhance safety, and implementing proactive management objectives

 **PLAY VIDEO**

 **TRANSCRIPT**

**Module 7**  
**Advanced Field Recordation**

Advanced recordation, advanced archival research, level II documentation, HABS/HAER, structural assessments, and subsurface investigations

 **PLAY VIDEO**

 **TRANSCRIPT**

**Module 8**  
**The Case of the Bassick Mine  
and the Town of Querida**

History of the Bassick Mine and the town of Querida, documenting and evaluating the mine, and management recommendations

 **PLAY VIDEO**

 **TRANSCRIPT**

 **Historic Artifact ID Guide**
