

## REPORTS REQUIRED FOR WITHDRAWAL APPLICATIONS

An environmental assessment (or environmental impact statement, if required) must be prepared. The following items shall either be included in the assessment or impact statement or they may be submitted separately with appropriate cross references.

1. Evidence of public meeting, if required (43 CFR 2310.3-1(b)(2)(v))
2. Present user report (43 CFR 2310.3-2(b)(1))
3. Report on acquisition of water rights, if applicable (43 CFR 2310.3-2 (b)(2))
4. Cultural resources report (43 CFR 2310.3-2(b)(3)(i))
5. Identification of roadless areas (43 CFR 2310.3-2(b)(3)(ii))
6. Mineral report (43 CFR 2310.3-2(b)(3)(iii)). Mineral report must include forecasts regarding reasonably foreseeable mineral and mineral related activities in the area (see part IV of WO IM NO. 91-59 for details).
7. Assessment of threatened/endangered species (43 CFR 2310.3-2(b)(3)(iv))
8. Analysis of economic impact locally, regionally and nationally (43 CFR 2310.3-2(b)(3)(v))
9. Public participation statement regarding environmental review process (43 CFR 2310.3-2(b)(3)(vi))
10. Floodplains or wetlands statement (43 CFR 2310.3-2(b)(4))
11. Statement of consultation with state and local governments (Governor, Counties, etc.) (43 CFR 2310.3-2(b)(5))
12. Plan for management of resources (43 CFR 2310.3-2(c))
13. 204(C)(2) report if 5000 acres or more (See 204(C)(2) of FLPMA)
